CURRENT EMPLOYMENT OPPORTUNITY

General Labourer- Linear Induction Motors (No Experience Required)

UEE manufactures electrical solutions for mining, oil & gas, industrial and commercial, transportation and resource applications. We are an industry leader in the design and manufacture of electrical power and control equipment.

As an organization, Performance, Innovation and Engagement at all touch-points in our organization is important to us. We care about Teamwork, accountability and the long term success of the organization and the people who make it successful. We are currently recruiting for an individual who believe and cares about these things to.

This position requires someone who truly enjoys detailed work, has a great attitude and an aptitude for learning to assist in with the production, service and maintenance of Linear Induction Motors (LIMs) and their components. The Linear Induction Motors (LIM) we produce are used on Bombardier's INNOVIA advanced rapid transit (ART) metro vehicles around the world, including the **Skytrain in Vancouver!**

In this role you would be responsible for performing various tasks including the cleaning and preparation of LIMs, and the use of various hand tools and power tools.

The successful candidate will be capable of physical labour, highly repetitive motions, and manual dexterity. The job can be dirty and involves working with chemicals. Rest assured you will have all the required personal protective equipment to do the job safely!

We will train you to do to the job to the highest standard, meeting our customers' needs in quality, cost and on time delivery. Being able to following verbal and written direction, to ensure the efficient production of products according to established procedures, safety protocols, and workplace policies is key.

We offer a great shift, **Monday to Friday 7:30am-4:00pm.**

The starting wage for this position is **\$15.00/hr along with full benefits** paid by the company including dental, vision, extended health, MSP, as well as a great pension plan.

We stand by our values of Respect, Integrity, Commitment and Health & Safety. If these values are important to you to, please visit our website at www.uee.com to learn more about our company.

If you are interested, apply by emailing your resume and cover letter to afitzhugh@uee.com.
